Dear Sir,

*Judge Wilson*

Enclosed please find your personal copy of NMITC - TRAINING FOR THE FUTURE, produced to inform the operational Navy and Marine Corps about the Navy and Marine Corps Intelligence Training Center (NMITC).

Our goal was to provide a vision of intelligence training now and needs for the future. In this regard, we must provide the very best training possible. Our students of today, armed with the essential baseline knowledge skills, will grow to become the intelligence community leaders of tomorrow.

I hope you will find the publication informative. I hope to make NMITC - TRAINING FOR THE FUTURE an annual publication to keep the fleet informed of intelligence issues as they relate to fleet support, our ultimate customer. TRAIN TO WIN!!

Very respectfully,

*Robert T. Trafton*
